To make this Government funded skill program more relevant to the evolving economic landscape, several new aspects are being embedded under PMKVY 4.0 including On-the-job training (OJT), inclusion of new age courses for IR 4.0, and expansion of the delivery network for skilling. This has also been stated in the Union Budget 2023-24.

2. As part of the expansion of delivery network, and offer skilling programs beyond the traditional skilling institutions, MSDE in consultation with the Department of Higher Education, Department of School Education, UGC and AICTE has decided to assign 'Skill Hubs' at identified Institutes of National Repute, Schools, Colleges, Universities, Technical Institutions, etc.

3. As a beginning of our shared task of skilling/re-skilling/up-skilling the youth, I would request you to initiate skill offerings for at least 240 candidates per institution in all the educational institutions under the administrative control of the department including IITs, IIITs, IISC, IISERs, IIMs, Central Universities, NITs, etc. To operationalize the scheme processes and manage it digitally on the Skill India Portal, you are requested to direct the concerned institution to send their willingness and course/ job-role wise demand on <https://pmkvyofficial.clappia.com/app/PMK889301>.

4. We strongly believe that the quality and aspiration value of skilling shall be greatly enhanced with the participation of these institutions. The expertise and infrastructure in these institutions can also be utilized optimally for overall benefit of the nation. We also encourage you to enhance the scope and scale of such skilling programs in these institutions over time and make it a grand success.

5. We are starting handholding initiatives through capacity building workshops in parallel for the benefit of all participants. A schedule of such workshops shall be shared with you shortly. Some key highlights in terms of scheme contours, course offerings,
