Prof. (Dr.) Arvind Agrawal
Vice Chancellor
Mahatma Gandhi Central University

It is my privilege and pleasure to present the report of activities of Mahatma Gandhi Central University, Bihar for the Academic Year 2016-2017. I feel elated to welcome you to the hallowed portals of the Mahatma Gandhi Central University, Bihar ("MGCUB") established with an aim of emulating and reviving legendary standards of academic excellence of historically famed institutions such as the Nalanda and Vikramshila. Indeed, it is a matter of pride that the commencement of this University coincides with centenary celebrations of the launch of the watershed Indigo Movement by the Great Mahatma on the soil of the state of Bihar.

It is about time that the state of Bihar gets its long-deserved dues and recognition on the national and international landscape. For long, the state of Bihar has been perceived in an undesirable manner and I believe the MGCUB would be instrumental in breaking the fallacies, myths and stereotypes falsely associated with this mystical

land of relentless and unfazed perseverance and never-say-die spirit. It is a matter of common knowledge that natives from this state have migrated all over the country (and the world) and proven their unquestionable credentials across various walks of life through their characteristic intelligence, grit and determination in the face of most gargantuan gauntlets. In this regard, I sincerely wish that the MGCUB goes a step beyond by becoming a thriving hotbed cum role model for engaging local and global i.e. 'glocal' academia and industry with an innovative outlook and pedagogy.

Against this prelude, the foundation of an autonomous Central University has been initiated with a view to foster highest academic standards, research and rationale amongst the academia that simultaneously serves national and international interest at the micro and macro levels. Through an all-inclusive and an overarching all encompassing approach, MGCUB aspires to achieve a truly global identity whereby it would attract widespread cosmopolitan interest from national and international students and faculty from across the world. Over and above conventional teaching and consequent exchange of ideas and insights, it is envisaged that conducive environs of the University would also inter alia incubate rational enquiry and thought as part of knowledge sharing and dissemination. True to its name, we promise to strive hard so that this University lives up to the name of the Great Mahatma by acquiring an aspirational value as a shining lodestar emanating from its exemplary and exacting academic standards and intellectual rigour.

On behalf of the MGCUB, I express my deep appreciation of the service rendered by every stakeholders of the University in the compilation of the Annual Report 2016-17.

Jai Hind!

Prof. (Dr.) Arvind Agrawal

ABOUT THE UNIVERSITY

Genesis:

The Central Universities (Amendment) Act 2014 [No. 35 of 2014] which received Presidential assent on 17th December 2014 provided for the establishment of Mahatma Gandhi Central University, having its territorial jurisdiction extending to the territory in the North of the River Ganges in the State of Bihar.

Establishment of the University:

The territory of the State of Bihar being large, its requirement for access to, and quality in, the higher education was not being adequately met with just one Central University. In addition to the existing one i.e., Central University of South Bihar at Gaya, establishment of one more Central University was felt necessary. Therefore, the Mahatma Gandhi Central University was established under the Central Universities (Amendment) Act 2014 [No. 35 of 2014] enacted by the Parliament. The University is fully funded and regulated by the University Grants Commission (UGC).

The University became functional with the assumption of charge by the First Vice-Chancellor, Professor (Dr) Arvind Agrawal, on 3rd February 2016. The First Academic Session of the University started from 17th October 2016.

Permanent Campus of the University:

The University shall have its own campus and when land is made available by the State Government of Bihar free from all encumbrances. For the establishment of the permanent campus of the University, the State Government has already identified approximately 302 acres of land near Bankat-Bairiya village, adjoining Motihari town. Out of 302 Acres approximately 136 Acres of land is going to be notified by the Government of Bihar shortly. This is on the basis of information received from District Administration at Motihari and Government of Bihar.

Headquarter and Location of the University:

The Headquarter of the University is located at Motihari, District – East Champaran, Bihar (INDIA). Motihari is the “*karmbhoomi*” of the Father of the Nation, Mahatma Gandhi, where he successfully experimented with the idea of “*Satyagraha*” during the “*Neel Andolan*” at Champaran in 1917. The establishment of MGCUB commemorates the centenary year of Mahatma Gandhi’s *Champaran Satyagraha*.

Campus of the University:

Due to non-availability of its own permanent campus, the University is presently operating from its following Campuses which have been hired by the University or provided by the State Government of Bihar, on rent basis:

- ❖ **Camp Office:** The Camp Office, which presently serves as the Headquarter of the University is located in a building hired by the University on rent basis at Raghunathpur, Near OP Thana, Motihari, District – East Champaran. The Offices of the Vice-Chancellor, Registrar and Finance Officer are located in the Camp Office.

- ❖ **Temporary Campus (TempCamp):** The Academic Activities of the University are being run from the building(s) provided by the State Government of Bihar on rent basis in the Zila School premises at Motihari which is named as '*Temporary Campus (TempCamp)*'. These buildings have been renovated and customised to meet the minimum functional requirements to run the academic activities of the University. The TempCamp of the University is like an oasis in Motihari, adequate to cater the present needs of classrooms, labs, faculty and students, it provides inspiring ambience for academics.

- ❖ **Temporary Women's Hostel (named as Kasturba Gandhi Women's Hostel):** The University has hired a building in Chotta Bariyarpur, near Hawaii Adda Chowk, Motihari on rent for the Women's Hostel of the University. It has a capacity to accommodate 50 women at a time with full security measures. All students who wish to opt for hostel accommodation have to mandatorily join the hostel mess. The University has made available transport facility to the residents of the hostel to commute between the Hostel and Temporary Campus (TempCamp) of the University. However, to avail transport facility, students have to pay a token bus coupon fee of Rs.500/- per month or any other rate as approved by the Competent Authority from time to time. For overall supervision and management of the Women's Hostel, two female faculty members of the University have been entrusted with the charge of Warden and Associate Wardenship.

Further, with respect to Men's Hostel, the University is in the look-out of building(s) appropriate for this purpose and this facility would be made available as and when the University finds a suitable accommodation.

Accessibility & Connectivity:

The nearest airport is at Patna which is approximately 170 kilometres away from Motihari. Motihari is also connected to all the major cities by train. The nearest railway station is Bapudham Motihari (BMKI) which is approximately 2 kilometres from the Temporary Campus at Zila School, Motihari. One can also reach Motihari by train via Samastipur, Muzaffarpur and Raxaul which are located within a radius of 100 kilometres. Motihari is also well connected to all major cities and towns of Bihar and adjoining states by road through a network of four-lane National Highway.

Vision of the University:

- ❖ To establish the University with a global outlook but grounded in local tradition and culture;
- ❖ To establish the University as a unique model of excellence in higher education with student centric focus in terms of global standards of programme offerings, curricular framework, pedagogy, research, publications and extension;
- ❖ To be financially sound with its own sustainable resource generation system;
- ❖ To benchmark its curricular framework, pedagogical practices, infrastructure facilities, governance policies and administrative practices with the global standards; and
- ❖ To have renewable and sustainable sources of energy for the University needs.

Mission of the University:

To achieve the above avowed Vision, the University has adopted the following Mission:

- ❖ Striving for land allotment and development/acquisition of quality infrastructure in the least possible time;
- ❖ Offer relevant and up-to-date, multi-disciplinary Programmes of Study to make students vocationally competent in the global job market;

- ❖ Establish a democratic outlook, a culture of performance, commitment and professionalism in faculty development;
- ❖ Integration of a high quality of research, publication, consultancy, and industry linkages;
- ❖ To implement the UGC's new Choice Based Credit System (CBCS).

Objectives of the University:

- ❖ Attract the best possible faculty;
- ❖ Multi-disciplinary, choice-based, modular programmes with multiple exit & entry options;
- ❖ Faculty & student exchange programmes with reputed institutions;
- ❖ Evolve an innovative framework for regular up gradation of curricular design aimed at developing knowledge, skills and aptitude as per global trends;
- ❖ Students and employees feedback and grievance redressal system;
- ❖ Provide for student assistantships to ensure equitable access to students for inclusive education.

To establish *inter alia*:

Social Sciences, Arts & Humanities: Law (5 years); Textile Designing; Entrepreneurship & Skill Development Focusing on Food Processing, Eco-tourism, traditional vocations like Bihar's Weaving Crafts, Woodwork, *Madhubani* Art; Cultural Centre that promotes Local Language, Music, Tribal Art, Tribal Museum like Bhopal's *Manav Sangrahalay*; various courses of Teacher Training, establishing Academic Staff College and Community College(s).

Science: Information Technology; Herbal Medicine, Non-Conventional Sources of Energy; Climate Change; Seismology; Environmental Pollution Research; Converging Technology and Nano-Technology.

- ❖ Online Learning through Massive Open Online Courses (MOOCs);
- ❖ Entering into memorandum of understanding with national and international institutions;
- ❖ Extension services & community outreach programme through community laboratories;
- ❖ Industry-academia interface: According high priority to career placement of students;
- ❖ Raising Financial Resources - Using alumni resources, industry-academia interface; utilising funds of Central Government of different Ministries like Tribal Affairs, Social Justice and Empowerment; Women and Child Development; Environment and Forest; Culture; Ministry of Human Resource Development; UGC; Indian Council of Social Science Research; ICHR; ICPR; CSIR; DST-DBT; encourage consultancy services;
- ❖ Getting corporate sponsorship for maintenance of current assets and development of new infrastructure; Collaborating with United Nations Agencies besides the corporate sector so as to make the University financially sound.

Department of Management Sciences

Head of the Department: Dr. Pavnesh Kumar

The foundation stone of the Department of Management Sciences was laid in the year 2016, with the commencement of the University. The Department envisions creating ethical leaders by imparting its students, skill based practical management education and establishing a link between applied management science and management pedagogy. The department strives hard to keep abreast with the corporate world by bringing in experts to interact with its students, thereby establishing an industry-institution interface. The Masters of Business Administration (MBA) Post Graduate Degree Programme, prepares students to integrate advanced professional knowledge, values, and skills and to apply them efficiently towards problem solving and client handling. The Programme keeps in view the changing macro environment and need of the industry. The courses offered and the pedagogy adopted is comparable with world class business schools in and around India, thereby preparing holistic managers who would be ready to face the challenges of cross culture, changing environment and working in a diversified team and originations.

SCHOOL OF HUMANITIES & LANGUAGES

Dean of the School: Dr. Amrendra Tripathi

Language is not only the means of expression of human thought; rather it constitutes the very world we inhabit. Language is the tool unique to human beings which distinguishes them from rest of the fauna world. The School of Humanities and Languages acknowledges the significance of languages in the anthropocene. It came into existence in the first academic session of Mahatma Gandhi Central University, Bihar in 2016. The School currently offers programmes in English and Hindi and has plans to broaden its scope by including many other languages of India and abroad. The study of languages is intrinsically entwined with the study of literature and the School offers its students the choicest of literary creations and critical texts. Through its programmes of study, the school aims to create able speakers, teachers, interpreters, translators, critics and literary consultants in the languages taught.

Department of English

Head of the Department: Dr. Amrendra Tripathi

Department of English was established since the inception of the University. English is one of the most widely spoken languages in the world and is the bridge between different cultures and nations. Most of the masterpieces in world literature are written either in English or translated to it. English is also one of the necessary requirements in the job market of the modern world. The Department of English in MGCUB recognizes the significance of English language and literature. Through its Ability Enhancement course, the Department seeks to make the students adept in the Listening, Speaking, Reading and Writing (LSRW) skills in the language and through BA (Honours) English programme, it seeks to cultivate a taste for literatures in English and to develop their critical thinking.

Course offered: B.A. (Honours) English; Duration – 3 Years; Semester - 6

Department of Hindi

Head of the Department: Dr Amrendra Tripathi

Department of Hindi was established since the inception of the University. Hindi is the official language of India and therefore all the official communication between the States and the Centre takes place in Hindi which creates a number of job opportunities. It also has a rich and lively heritage of literary and critical texts. Hindi is the language of the job market, film and television, media and communication and day to day activities in the Indian subcontinent. The Department of Hindi seeks to develop language and literary abilities of the students, produce able translators, interpreters, literary consultants equipped with critical thinking. The Department of Hindi takes pride in its committed and experienced faculty members who seek to inculcate in the students an appreciation for Hindi language and literature. The programmes of study offered by the department are so designed as to include masterpieces of Hindi Literature, Linguistics, Poetics and Functional Hindi to achieve the aforementioned goals.

SCHOOL OF LIFE SCIENCES

Dean of the School: Dr. Pranveer Singh

School of Life Sciences with its constituent departments of Biotechnology, Botany and Zoology strives to indoctrinate quality education, develop learning capacity of students in contemporary advancements, nature, environment and ethical values through knowledge, skills, and expertise to contribute to global perspectives for the larger benefit of humanity.

Department of Biotech

Head of the Department: Dr. Pranveer Singh

The Department of Biotechnology was started as one of the founding departments of the university in 2016 with Dr. Saurabh Singh Rathore as first Teacher in-Charge. Prof. Anand Prakash took over as head in August 2017. This newly established department offers B.Sc.(H) course in Biotechnology with intake capacity of 30 students. The department focuses on blended learning approach with emphasis on experiential learning. The teaching methodologies include most of the aspects of bloom's taxonomy used in hierarchical method of teaching and learning. Department keep organizing guest lectures, seminars, interactive sessions to give diverse exposure to students even at undergraduate level.

Course offered: B.Sc. (Honours) Biotech; Duration – 3 Years; Semester - 6

5.	Dr. Shashikant Ray	Assistant Professor	Targeting Bacterial Cell Division Machinery for Development of Novel Antibacterial Agents
6.	Mr. Tapan Agnihotri	Assistant Professor	Stem Cell (Nephron Regeneration), Immuno-Oncology

Department of Botany

Head of the Department: Dr. Pranveer Singh

The Department of Botany, began at MGCU in 2016 with temporary campus at Motihari. Initially, department offers a three-year under-graduate (UG) course designed to provide knowledge on the plant sciences. Believe that graduate teaching programmes to be done by teachers who are also actively involved in research in their respective areas of specialization. Since its foundation, the department has four faculty members, those who have substantial exposure on a variety of interesting subject areas in plant biology with unique mix of focus on classical as well as modern area of plant science. Currently, department has diverse teaching programmes in the areas of plant sciences including plant structure, growth and development, plant molecular biology, physiology and biochemistry, plant pathology, ecology, genetics, systematics, evolution, bioinformatics and transgenic technology on a variety of taxa ranging from microbes, algae, fungi, bryophytes and vascular plants at the cellular, organismal, community and ecosystem levels.

Course offered: B.Sc. (Honours) Botany; Duration – 3 Years; Semester - 6

3.	Dr. Durgeshwer Singh	Assistant Professor	Plant Pathology, Radiation Biology and Bioremediation
4.	Dr. Tara Chandra Ram	Assistant Professor	Photochemistry, genetic improvements in medicinal plants, molecular biology of higher plants

Department of Zoology

Head of the Department: Dr Pranveer Singh

History of Zoology as study of animal science is as old as the history of mankind. However, its emergence from Natural History as an independent branch that includes diversity of aspects of

animal life including humans evolved much later. True to the evolutionary diversity of the subject, the Department of Zoology encompasses varied expertise in its faculty that ranges from basic to the cutting edge applied Zoology with the unitary aim of imparting high quality teaching and research in the frontier areas of basic and applied biological sciences so as to serve as the 'Breeding Ground' of inventions and innovations.

Course offered: B.Sc. (Honours) Zoology; Duration – 3 Years; Semester - 6

SCHOOL OF MATHEMATICS & STATISTICAL SCIENCES

Dean of the School: Prof. (Dr.) Asutosh Pradhan

The School of Mathematics and Statistical Sciences started functioning with Department of Mathematics. The School specialises in various areas of Algebra, Analysis, Topology, Category Theory, Fuzzy Set Theory, Fuzzy Optimization, Computational & Theoretical Fluid Dynamics, etc.

Department of Mathematics

Head of the Department: Prof. (Dr.) Asutosh Pradhan

The Department of Mathematics started functioning just after the establishment of Mahatma Gandhi Central University in 2016. The department comprises of 5 faculty members (1 Associate Professor and 4 Assistant Professors) who are passionate about their teaching as well as research. The faculty members specialized in various areas of Algebra, Wavelet Analysis, Distribution Theory, Integral Transforms, Topology, Fuzzy Topology, Category Theory, Fuzzy Set Theory, Fuzzy Optimization, Computational & Theoretical Fluid Dynamics and Differential Equations. Department offers various programmes and courses which embody the interdisciplinary and multidisciplinary nature of the University. The courses have been designed in such a way that it provides a strong base for advance studies and exposes the students for careers in different dimension of real world.

Course offered: B.Sc. (Honours) Mathematics; Duration – 3 Years; Semester - 6

Intake:30

Faculty in Department of Mathematics:

S. No.	Name of the Faculty	Designation	Research Area

4.	Dr. Rajesh Prasad	Assistant Professor	Solid Mechanics/ Fluid Mechanics and Differential Equations

SCHOOL OF PHYSICAL & MATERIAL SCIENCES

Dean of the School: Dr Santosh Kumar Tripathi

The School of Physical and Material Sciences started with two departments namely Physics and Chemistry. Faculty members of the School are actively engaged in several up-thrust research areas including magnetic memory devices, crystal engineering, drug design & delivery etc. From the point of commercial application, the faculty is engaged in fabricating different types of energy storage and conversion devices like rechargeable batteries, supercapacitors, solar cell, hydrogen storage devices etc. by utilizing several nano-materials/composites, clean, green and low cost bio-waste materials based activated charcoal for its application in energy storage and water treatment.

Department of Physics

Head of the Department: Dr Santosh Kumar Tripathi

The main objective of the Department of Physics is to create a centre of excellence in science & technology by providing quality education through effective teaching, learning and evaluation processes using digital mode of technology. The faculty members are striving to enrich the department through innovative research and consultancy, skill development activities among the students and by strengthening academia-industry collaboration.

Course offered: B.Sc. (Honours) Physics; Duration – 3 Years; Semester - 6

Department of Chemistry

Head of the Department: Dr. Devdutt Chaturvedi

Chemistry is manifested everywhere starting from air to water to underground. It is necessary to understand the chemistry of nature that can help to mimic the natural chemical process to improve quality of human life and environment. Its knowledge enables a person to understand pros and cons of wide range materials frequently used in daily life. Endowed with inherent understanding of chemistry gives opportunity to join various sectors (chemical & pharmaceuticals, oil and gas, water testing, environmental and forensic laboratories etc.) The department has currently six faculty members who have experience in academia/research/industry both India and abroad (USA, Germany, Switzerland, Belgium, South Korea, Japan, Taiwan, South Africa etc.).

Course offered: B.Sc. (Honours) Chemistry; Duration – 3 Years; Semester - 6

SCHOOL OF SOCIAL SCIENCES

Dean of the School: Prof. Asutosh Pradhan

The School of Social Sciences comprises four departments namely (i) Department of Economics & Planning, (ii) Department of Interventional Development & Social work, (iii) Department of Political Science & International Relations and (iv) Department of Sociology & Social Anthropology.

Department of Economics & Planning

Head of the Department: Prof. Asutosh Pradhan

Department of Economics & Planning came into existence in the first academic session of Mahatma Gandhi Central University, Bihar in 2016. Currently, the Department has four Assistant Professors. Along with BA Economics (Honours), the Department of Economics & Planning also offers General Elective courses open to all undergraduate students of the university under the Choice Based Credit System (CBCS) pattern. The Department aims to provide an in-depth study of the theoretical propositions advocated by different schools of economics. The course is designed to go beyond the merely received and established truths and to make students exposed to various heterodox literatures to develop a critical understanding of various theories among them. In order to make the programme more pragmatic the department aims at enabling the students to link economic theory with historical experience and empirical observation. With gradual expansion, Department of Economics & Planning will also facilitate research in various domains of theoretical, empirical, developmental and interdisciplinary areas to be undertaken by students.

Course offered: B.A. (Honours) Economics; Duration – 3 Years; Semester - 6

Intake: 30

Faculty in Department of Economics & Planning:

S. No.	Name of the Faculty	Designation	Research Area
1.	Mr. Bidhubhusan Mishra	Assistant Professor	Macroeconomics, Monetary Economics, Experimental Economics
2.	Mr. Ram Lal Bagaria	Assistant Professor	International Trade, Quantitative Economics & Econometrics, Environmental Economics
3.	Dr. Shreedhar Satyakam	Assistant Professor	Dairy Economics, Environmental Economics
4.	Dr. Bhanu Pratap Singh	Assistant Professor	Econometrics, Financial Economics, Development Economics

Department of Interventional Development & Social Work

Head of the Department: Prof. Asutosh Pradhan

The Department has the vision of becoming the seat of excellence in higher learning and research in social work. It aims to enable the students to utilise the knowledge and skills of social work for transformative social change. The Department owes its distinct nomenclature of 'Interventional Development' to the futurist thinking of the Hon'ble Vice-Chancellor Prof. (Dr) Arvind Agrawal. This nomenclature brings to fore the fundamental distinction between social work and other social science disciplines and reaffirms the position of social work as a complete and comprehensive discipline which includes academic as well as interventional aspects.

Objectives:

- Imparting the values, knowledge and skills of social work profession;
- Facilitating the students to deal with the contemporary and future challenges of society;
- Enabling the students to gain an informed understanding of human beings as individuals, and as part of groups and communities;
- Orienting the students to work in various sites of social work practice with diverse clients by adhering to the ethical principles of the profession;
- Evolving innovative teaching-learning pedagogies for imparting social work education;
- Developing a comprehensive architecture of field work practicum that is imbued with indigenous methods of practice;
- Establishing itself as one of the leading social work education institute for research and publication;
- Undertaking action projects and consultancies for designing, implementing and evaluating social interventions;
- Establishing a strong connection between the department and field practitioners for incorporating the latest developments in social work practice into the curriculum;
- Providing a platform for the establishment of a strong and vibrant alumni network.

Course offered: Masters of Social Work (MSW); Duration – 2 Years; Semester - 4

Department of Political Science & International Relations

Head of the Department: Prof. Asutosh Pradhan

The teaching programme of the department is based on a comprehensive social science approach that integrates and interrogates sociological, economic, philosophical and cultural dimensions. It encourages a comprehensive study of the field of politics, keeping especially the Indian reality in focus. The emphasis is on combining theory with ethnographic and archival work. The department believes in the necessity to acquaint students with both Western Political Theory and Indian Political Thought to address contemporary socio-political issues. This will illuminate the reality of India and other countries/regions and also open up new research avenues. Political Science will continue to play a major role in the field of higher education, by seeding new ideas and creating knowledge, and by imparting high level of training with values and social commitment.

Objectives:

- Promote quality and excellence in Teaching, Learning and Research.
- Contribute towards building a socially sensitive, humane, inclusive society.
- Cultivate critical thinking that can spark creativity and innovation.
- Promote leadership qualities among students
- Produce socially sensitive citizens
- Contribute to nation building
- Hasten the process of creating a knowledge society.

Course offered: B.A. (Honours) Political Science; Duration – 3 Years; Semester - 6

Department of Sociology & Social Anthropology

Head of the Department: Prof. Asutosh Pradhan

The department offers B.A. (Honours) Sociology Programme of Study. While emphasising topics and themes central to the discipline, the department's teaching and research activities are oriented towards contemporary questions that have both basic and applied dimensions. The endeavour is to stress inter-disciplinary exchange with other disciplines in the school.

University Cells

GRIEVANCE REDRESSAL CELL

The University has constituted a cell to address the grievances of students in order to promote cohesive corporate living on campus.

SENSITIZATION, PREVENTION, AND REDRESSAL OF SEXUAL HARASSMENT (SPARSH)

Gender equity, including protection from sexual harassment and right to work with dignity is universally recognised as a basic human right. Eradication of social evils has been the prime aim of Constitution of India. Article 15 of the Constitution of India prohibits discrimination on grounds of religion, race caste, sex, or place of birth. Article 42 makes provision for securing just and human conditions of work. Article 51-A(e) makes it incumbent on every citizen to promote harmony and spirit of the common brotherhood amongst all the people of India transcending religious, linguistic, and regional or sectional diversities; to renounce practices derogatory to the dignity of women. India is also a signatory to the convention on the “Elimination of all forms of discrimination against women”. Resultantly, to prevent any incidence of sexual harassment, there shall be a duly constituted Committee in accordance with the relevant statutory guidelines and applicable laws.

COUNSELLING & GUIDANCE CENTRE

A Student Counselling & Guidance Centre has been constituted under the stewardship of the Dean of Students' Welfare. Students of the University are provided counselling and guidance through the Student-Mentor Programme.

UNIVERSITY-INDUSTRY INTERFACE

The University strives to have a vibrant University-Industry interface aimed at collaborative work in the arena of curricula development, shared teaching, research and praxis. In order to make the students industry ready so that they can stand a good chance in the highly competitive market environment, the University has entered into Memorandum of Understanding (MoU) with leading academic and research institutions of national and international repute. Efforts are being made to also network with Industrial establishments so that students of the University stand a better chance to get employment in industries and corporate houses.

TRAINING AND PLACEMENT CELL

The main objective of the Training and Placement Cell is to develop strong relationship with companies all over India. The Cell contacts potential employers in various companies and apprise them of the ample talent available in the University. The Training and Placement Cell shall organise various activities such as industrial visits, invited lectures by industry experts, mock interviews,

industry-academia interface, pre-placement talks and workshops, etc. which give ample opportunities to the industry as well as the students to interact with each other.

Training and Placement Cell facilitates Summer Placement Programme for MBA and MSW students. This training helps students in getting first hand exposure to corporate culture and developing their awareness, skills and values to improve their readiness to shoulder the managerial responsibilities of future organisations at national and global level.

Equal Opportunity Cell

Equal Opportunity Cell (EOC) has been established in Mahatma Gandhi Central University to aid and advise the students belonging to marginalized sections including the Scheduled Castes (SC), Scheduled Tribes (ST), Other Backward Communities (OBCs), minority communities, etc. pursuing various programs of studies at the University
