About the Faculty Development Programme (FDP):

We can consider COVID-19 Pandemic as the biggest global challenge of our life time. The Global scenario is radically changing due to this Pandemic and needless to mention here that there have been both positive as well as negative outcomes. This pandemic is leading to not only the life loss but also the financial crisis. It has hampered teaching learning process in an unexpected way too. The social milieu & other dynamics of social stratification and changes are inevitable. The change in society as well as in education is paving the way to look at it from an unconventional perspective. Needless to mention to role of a teacher in this process, which has motivated us to come-up with such a Faculty Development Programme where we can reflect over aforesaid worries in depth and can not only check but also revisit into the 'Teaching-Learning Pedagogy & Scope of Research'. With this background, the Department of Education, East Calcutta Girls' College under the aegis of Internal Quality Assurance Cell (IQAC) in collaboration with School of Education, Mahatma Gandhi Central University, East Champaran, Bihar and Department of Education, West Bengal State University, Barasat, Kolkata, West Bengal is going to organize One Week National Level Online Faculty Development Programme Series Titled **"Paradigm Shift in Teaching-Learning Pedagogy & Scope of Research Methods in Post COVID Era"** 09th June-15th June, 2020.
