Global Peace & Sustainable Development Summit 2021

Representative of **17 countries** in collaboration with
20 International Organisation will participate to strengthen
and educate young minds about **17 SDGs** set by United Nations

Powered By:

Proposed Date: Starting from 1 April 2021, Time: 9 am (IST)

The Global Peace & Sustainable Development Summit 2021

is the flagship event of the Witty Gossip Association. The GPSDS 2021 will be held under the umbrella theme of

"Educate Young Minds about The Sustainable Development Goals set by the United Nations for a Secure Environment and to achieve a better and more sustainable future."

The edition will be held virtually as a hybrid event in alliance with 20 International organizations scheduled from 1 April, 2021.

The Summit brings together Nobel laureates, decision-makers from bilateral and multilateral institutions, business leaders, high-level functionaries from the diplomatic corps, scientists, researchers and Educators, members of civil society; on a common platform to deliberater national and International issues related to sustainable development.

The Summit aims to provide long-term solutions for the benefit of the Young global community by assembling the various intellectuals on a single platform and initiating a step in the direction of achieving constructive action in combating issues pertinent to the future of humanity.

Features of the Global Peace & Sustainable Development Summit 2021

1 Appreciation and Recognition

A platform for multidisciplinary industries captains to brainstorm ideas in a sustainable manner to grow more effectively. Global Empowerment Awards (GEA) will confer to the eminent global leaders, Educators, Researchers and Social Activists along with respective organizations. The Award felicitates their contributions in the field of sustainable development and global empowerment.

2 E-Expo

An online expo wherein green and sustainable technologies from around the world will be showcased to a global audience through a virtual platform.

3 Plenaries Sessions

Panel discussions designed around The Sustainable Development Goals or Global Goals (A collection of 17 interlinked global goals designed to be a "blueprint to achieve a better and more sustainable future for all) import - relating to the overall theme of the Summit. Policy makers, senior business leaders and academicians will be Speakers for providing feasible solutions to challenges faced by local and global communities in maintaining the balance between securing environmental sustainability and development.

4 Global Youth Connect

To enlighten young minds at the graduate level about issues of sustainability and climate change following the Mission statement of United Nations: "A blueprint to achieve a better and more sustainable future for all by 2030"
